TEMPORARY POWER RELEASE

The City of West Palm Beach Construction Services Department hereby agrees to release the temporary electrical power at _____ for building permit # _____ for the purpose of testing building systems like air conditioning, refrigeration and lighting control circuits with the following stipulations:

1. No circuits will be left energized after all personnel have left the job and nothing may be energized without the consent of the electrical inspector.
2. All panels and disconnects not in use will be locked in the "OFF" position or fuses will be removed.
3. At no time will personnel be allowed to work in hot equipment.
4. The electrical equipment room will remain locked at all times with the key in the possession of the electrical contractor and/or the general contractor.
5. All other final inspections relative to the closeout of this project must be called for and passed in a timely manner as determined by the Building Official.
6. The building may not be occupied before a C.O. is issued.

Any violation of this agreement may result in the immediate termination of the electrical power without prior notice to the affected parties. This form requires all of the following signatures prior to power being released. The undersigned acknowledge the operation of A/C equipment while construction is in progress may create or increase the risk of contamination or premature failure of the equipment. The undersigned acknowledges the above listed stipulations, agrees to hold the City of West Palm Beach harmless from any damages that may arise as a result of the release of power to the premises and hereby requests power to be released for this project.
