Join us as the world-famous Radio City Rockettes "KICK OFF" the festivities at Clematis by Night on Thursday, March 15th. Four of these famed New York City performers will appear at Thursday night's Hot Spot to Chill to promote their upcoming Christmas show that will be in South Florida this November. The performers will show the audience what it takes to be a Rockette with some strut kicks and poses. They'll also give away 10 pairs of tickets to their highly popular "Radio City Christmas Spectacular, starring the world-famous Rockettes" to lucky audience members that can answer some fun Rockette trivia. Guests will have an opportunity to meet the performers, get autographs, take photos and even get off their feet and join the Rockettes in a kick line.
