Question & Answer

Question: We have an existing contract with the Riviera Beach CRA who's Board is the City Council. Does this preclude us from responding? Will there be any prohibitions whatsoever from entering into future contracts with the five (5) governmental bodies that make up the ECR?

Answer: If a firm has a contract for financial advisory services to any of the five entities, directly or indirectly, they cannot be the financial advisor to the ECR Board. That would include the term of the agreement.

Proposers must acknowledge receipt of this Addendum Number One in the space provided below. This Addendum forms an integral part of the RFP documents and therefore must be executed. Failure to return this addendum with your proposal submittal may be cause for disqualification.
