Addendum No. 4
ITB 10-11-25
September 20, 2011

Seaboard Train Station Beautification Project

This addendum shall modify, clarify, change or add information and become part of the above referenced Invitation to Bid.

Each recipient of this Addendum No. 4 acknowledges all of the provisions set forth in the Invitation to Bid and agrees to be bound by the terms thereof.

The following changes were made:

1. Replace the Schedule of Bid Items with the Revised Schedule of Bid Items issued with this addendum.
2. Replace the Plans with the Revised Plans issued with this addendum.
3. Surveys 1, 2 and 3 are issued with this addendum.
4. Below are answers to questions received:

Question 1:

It appears that sheets LD-5E, LD-7A, LD-10C, LD-17B and LD-17C are missing from the bid documents. Can you please confirm?

Answer 1:

Yes, except for LD-5E these sheets are added to the reissued drawing set. Sheet LD-5E is not included in the set, this information intended for this sheet (Legal Description) is provided by the City as part of the Site Survey sheets. Revised set of drawings and a survey set included as attachment.

Question 2:

The plans reflect improvements to the dumpster enclosure, where should these items be priced on the "schedule of bid items"?

Answer 2:

See revised Bid Item attached, under site furnishings for " Dumpster Improvements"

Question 3:

It doesn't appear that the quantity of structures on the drawings matches what is on the "schedule of bid items", please verify quantity?

Answer 3:

The number of structures are correct.

Question 4:

It doesn't appear that the quantity of 15" pipe on the drawings matches what is on the "schedule of bid items", please verify quantity?

Answer 4:

See revised Bid Item attached.
quantity of 15" pipe in base bid added (98 LF),
quantity of 18" pipe changed from 188 to 186 LF,
quantity of 15" HDPE pipe culvert changed in Alternative VII from 430 to 332 LF

Question 5:

What does West Palm Beach specify as a manufacturer of truncated domes? How many square feet of truncated domes are going to be on this project?

Answer 5:

This project can not specify a manufacturer for the truncated domes. There's a line item in the Bid Schedule for the truncated domes (526-1-2) for a total SY of 28.

All other information remains the same.

Bidders must acknowledge receipt of this Addendum No. 4 in the space provided below.
This Addendum forms an integral part of the ITB documents and therefore must be executed.
Failure to return this addendum with your bid submittal may be cause for disqualification.
