   Agenda Cover Memorandum No.: 22772

   Staff Recommended Motion:
   Hear presentations and make final selection.

   Background:
   The Procurement division issued a solicitation, RFP No. 18-19-219, to secure the external audit services for the annual audits of the financial statements of the City for five (5) years beginning with the fiscal year beginning October 1, 2019 and ending September 30, 2024.

Pursuant to Sec. 218.391(3), Florida Statutes, the audit committee established factors to use for evaluation of audit services, publicly announced requests for proposals, provided interested firms with a request for proposal, evaluated the proposals, and ranked and recommended, in order of preference, three firms deemed to be most qualified to perform the required services.

Seven (7) proposals were received. One firm was disqualified as non-responsive as the required small business participation was not included in the proposal.
The Audit Committee considered the following evaluation criteria listed in the RFP:

1. Skill and Experience
2. Staff and Capacity
3. Past Performance and Reference
4. Approach
5. Proposed services Fee
6. Proposer’s Adherence to RFP requirement
7. City Code Requirements:
   - Small business participation 15% goal
   - Compliance with Equal Benefits provisions of City Code
   - Service Disable Veterans Preference
   - Compliance with Equal Opportunity provisions of City Code
   - Impact to local economy in comparison to other bidders
8. Any suspension or debarment by any government entity
9. Consideration of any other factors specific to this RFP
10. Such other information as may be obtained

The Audit Committee reviewed each proposal based on the RFP evaluation criteria and recommended the top three (3) proposers to present in front of the City Commission:

1) Plante Moran (10 points)
2) Marcum (13 points)
3) Carr, Riggs & Ingram (14 points) ** The least points firm ranked the highest and so on.

The top three (3) proposers are each given a total of thirty (30) minutes and presentation outlines as follows:

- 20 minutes – Introduction, ability, capacity, skill and approach, past experience
- 10 minutes – Questions and Answers

An alphabetical order was used to determine the presentation order. The times established for each firm are as follows:

- 9:10 a.m. - 9:40 a.m. Carr, Riggs & Ingram
- 9:50 a.m. - 10:20 a.m. Marcum
- 10:30 a.m. - 11:00 a.m. Plante Moran

The presentation should be given by the firm’s key individuals who will be assigned to the City with the additional key staff and the subcontractor from the certified Small Business as necessary.
Each Proposer will also answer the following questions in their presentation:

1) What percentage of your time will be allocated to assessing the City’s IT controls?

2) During the engagement what type of technology will be utilized to perform the auditing services? Please include a brief discussion on how it will be integrated with existing City technology.

3) What assurances can you provide that the team members identified or presented as performing the engagement will actually be on-site and conduct the auditing services?

4) Is the amount presented on the proposals for services rendered? A flat fee, an amount that would not be exceeded, or billed per hour but could exceed the estimated number of hours?

5) How available are the audit partners to field questions related to issues as they arise prior to and/or after audit field work?

6) Is there a guarantee provided that all audit items will be completed by the deadlines provided by the City of West Palm Beach?

7) Has your firm worked with another city similar to the size of West Palm Beach, if so, please provide their names and if they are local to South Florida?

8) How many audit staff members would be on-site during the fieldwork portion of the audit?

9) What is your logistic/staff dedication approach to serve in West Palm Beach? Does the proposed fee include travel related expenses?

The Commission shall inquire of qualified firms as to the basis of compensation, select one of the firms recommended by the audit committee, and negotiate a contract. In accordance with the statute, because the RFP evaluation criteria included compensation as a factor, the Commission shall select the highest-ranked qualified firm or must document in its public records the reason for not selecting the highest-ranked qualified firm. See Fla. Stat. 218.391(4)(b).

(Staff provided the complete evaluation package of all three (3) proposals to the Board under separate cover.)
ADJOURNMENT:

*Pursuant to Resolution No. 179-95, adopted according to the provisions of Section 286.0115, Florida Statutes, members of the Commission shall disclose on the record: 1) ex-parte communications - verbal or written and written communications shall be placed in the record; and 2) site visits, investigations, etc.
