Application Date: _____

INFORAMTION TO OBTAIN A PERMIT FOR DEMOLITION

1. The city will locate and mark the sanitary sewer lateral at the connection to the city sewer line or force main.
2. If water service is needed during demolition, a utility account must be active.
3. Any damage done to City lines will be the responsibility of the owner.
4. After a licensed plumber obtains a plumbing permit and completes capping the sanitary sewer lateral at the property, please contact the Development Services Department at (561) 805-6700 for an inspection before starting demolition.
