

If staff has determined that either a file is missing from the original application, or an issue needs to be corrected with an originally submitted file, you will receive an email notification stating that a case has a “Required Resubmit Status”. Follow the steps below to address this requirement.

Please note that only those designated to receive email notifications will be the recipients, not all contacts or sub-contacts will receive the email notification.

Receiving and Accessing Corrections Information for “Required Resubmit Status” Email Notification

1. A system generated email will be sent to the designated recipients on a case informing of the submittal and file status. The email will come from EnerGovSrv@wpb.org and it will indicate the case application number and Required Resubmit Status in the Subject Line. Follow the email’s instructions for accessing the record or simply log in to your Civic Account Online Account.
2. To see the status of any completed reviews, click on the “Reviews” tab. A review in “red” means that its status is “Requires Resubmit”, while a review in “green” means “Approved” or “Approved with Conditions.”

Resubmitting Files

1. If a submittal fails, you will need to verify the status of your reviews and verify any files that may be required to be resubmitted. There are several ways for you to see which files require resubmission.

- a. From the Summary page, you should see the “Available Actions” section and in here you can see which files require resubmittal and in which version they will be resubmitted. Also, the Attachments tab will indicate which files need to be resubmitted. The steps below can be followed on each option you choose.

The screenshot displays a software interface with a navigation bar at the top containing tabs: Summary (active), Locations, Fees, Reviews (with a red notification icon), Attachments (with a red notification icon), Contacts, Sub-Records, More Info, and Conditions.

The main content area is divided into three columns:

- Progress:** A donut chart shows 10% Completed. A legend indicates: Completed (green), In Progress (blue), and Not Started (grey).
- Fees:** Displays a balance of \$0.00 with a "View Details" button.
- Workflow:** A vertical list of steps with radio buttons:
 - Application Sufficiency Review Prescreen - Not Passed : 03/19/2024
 - Case Manager Assigned - Passed : 03/19/2024
 - Application Sufficiency Review Prescreen
 - Create & Send Invoice
 - Confirm Fees Have Been Paid In Full
 - PPRC Hearing
 - Staff Review [Site Plan]
 - Staff Approval Letter - [Report Placeholder]
 - Approval Sent to Property Appraiser
- Available Actions:** Two entries for "Resubmit File" for "Cashiering Audit REport_03.30.2" (Next Version: 2), each with a "Resubmit" button.

- b. Click on the Resubmit button. From here you are taken to the steps to follow to complete the file resubmittals.
- c. The first button called Reviews indicates the failed reviews associated with the submittal step. In here you can see any added reviewer comments, added corrections and recommendations.

Plan Review [Prescreen]

Submittal Status	Received Date	Due Date	Completed Date
Requires Re-submit	03/27/2024	03/29/2024	03/27/2024

Prescreen • Requires Re-submit [Redacted] • **Completed : 03/27/2024**

Due Date	Completed Date
03/29/2024	03/27/2024

- i. If your files are saved successfully, you should see a success popup window.

Please note the below restrictions when uploading your files:

1. Independent files with the same names cannot be initially uploaded on the same application. Online file links are not accepted (i.e., FTP sites).
2. Files with Security Features enabled are not allowed.

3. Avoid file names that are too long.
4. File names cannot include the following characters:
 - a. < (less than)
 - b. > (greater than)
 - c. (double quote)
 - d. (colon)
 - e. / (forward slash)
 - f. \ (backlash)
 - g. | (vertical bar or pipe)
 - h. ? (question mark)
 - i. * (asterisk)
 - j. , (comma)
 - k.- (dash)
