

WEST PALM BEACH

## Visit Grassy Waters Preserve

### The Everglades: Your Drinking Water Supply

Grassy Waters Preserve is a 23-square-mile pristine wetland ecosystem just 25 minutes from Downtown West Palm Beach. Open 7 days a week, this free Preserve provides critical Everglades habitat for native wildlife and serves as your drinking water supply!

### Visit Us!

With over 25 miles of trails, an interactive nature center, guided programs, and an ADA-accessible boardwalk, there is something for everyone!

- Guided Canoe & Kayak Tours
- FREE Kids' Craft Programs
- Speaker Series
- Hiking & Biking Trails

### Volunteering

Interested in getting involved? We have a variety of areas that need volunteer support:

- School Program Assistant
- Canoe & Kayak Assistant
- Nature Center Steward
- Butterfly Garden Steward

*Volunteer applicants must be at least 16 years old.*

## Children's Book: *Sam the Snail Kite and the Secret of the Everglades*

Written and illustrated by Grassy Waters Preserve staff, *Sam the Snail Kite* is a heartwarming story about community and the importance of conserving the waters of the Everglades!

Each copy is \$10 and proceeds support educational initiatives through the Grassy Waters Conservancy.

**NEW!**

**Story Stroll Opening Celebration!**  
**March 14, 3:00- 8:00 pm**

Follow the pages of *Sam the Snail Kite's* story displayed along our trail to discover the secrets of the Everglades.

**Order Your Own or  
Donate a Copy to a Child  
in the Community Today!**

*Purchased copies must be picked up at the Nature Center.*
